

Hazard Mitigation Grant Program – Letter of Intent

Submitted to: Mitigation Unit, New Jersey Office of Emergency Management
P. O. Box 7068 River Road, West Trenton, NJ 08628

Phone: (609) 963-6963

Fax: (609) 530-3649

This letter is to notify you that the below intends to participate in the 404 Hazard Mitigation Grant Program which is available subsequent to the Federal Disaster Declaration FEMA # 1694-DR-NJ

The following information is furnished in support of this notification:

Name of Applicant/Organization: _____

Point of Contact: _____
(Applicant's Agent)

Title: _____

Address: _____

Phone/Fax: _____

Please thoroughly describe the project and benefits on a separate attachment and itemize as follows:

1. Summary title of project.
2. Detailed description of the proposed mitigation measure or project and **its benefits to the community**. If available and where appropriate, include photographs.
3. Approximate cost of the project:
4. Location of proposed mitigation measure or project: Include community map identifying project location.
5. Additional supporting documentation.

I understand that the local share of project funding will be 25% of the total project cost, and I certify that the funding to support this share of costs will be available. The township **may be** willing to contribute (all, partial on none) of the matching share of acquisition projects.
